COMFORT

WITH STANDS HIGH  
TEMPERATURES  
AND WASHING

IDEAL FOR ABS  
SYSTEMS

NON-CONDUCTIVE

EASY TO SPREAD

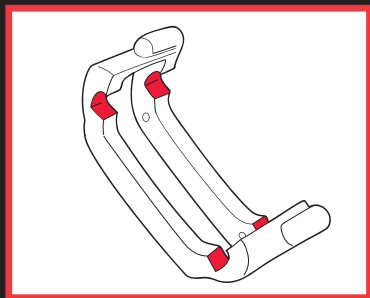

NO METALS AND  
FATTY ACIDS

- Code: **G00 075**
- Capacity: **75ml**

### Brembo B-QUIET, tips for use:

- Clean the contact points between the caliper and the pad before applying the product.
- Apply the product at the contact points between the caliper and the pad as shown in the image.
- Distribute the lubricant evenly over the surface.

**Brembo B-QUIET** can be removed using a cloth and/or detergent for disc brakes.

### Attention!

Do not apply the lubricant on the disc or pad braking surfaces.

The properties of **Brembo B-QUIET** may alter if mixed with other lubricants. Furthermore, it is not compatible with EPDM plastics that could swell.
