

PRODUCT INFORMATION SHEET

BLUECOL ANTIFREEZE TESTER

DESCRIPTION

The Bluecol Antifreeze Tester provides a quick and easy method to safely collect a sample of antifreeze and instantly indicate the level of protection with an easy to use centigrade scale. The number of floating discs within the unit shows the degree of protection. Bluecol Antifreeze Tester also allows a visual inspection for rust and sediment. Designed especially for all colours of Ethylene Glycol Antifreeze and is suitable for both In-organic Acid Technology (IAT) & Organic Acid Technology (OAT) antifreezes.

DIRECTIONS FOR USE

- Place dip tube in to coolant.
- Squeeze rubber bulb & release, sucking coolant in to body of tool.
- Using the scale on the tester take the protection reading of the coolant and refer to the table below.

Number of floating discs shows degree of freeze protection	
Disc	°C
RED	-7
BLUE	-15
WHITE	-23
YELLOW	-31
GREEN	-37
PINK	Not Safe

NOTE

Not suitable for use with menthanol based anti-freeze. Always refer to manufacturer's recommendations & handbooks.

AVAILABILITY

Tester- BAT000

**DISCLAIMER**

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
