

## PRODUCT INFORMATION SHEET

### CARPLAN CARB & CHOKE CLEANER

#### **DESCRIPTION**

Carplan Carb & Choke Cleaner has been developed to remove dirt, grease varnish and gum deposits from carburetors, linkages and automatic chokes and will not harm catalytic converters.

#### **ADVANTAGES**

- Easy to use aerosol dispenser format
- Helps improve engine performance
- Combats problems caused by dirty petrol – which can lead to blocked jets and power loss

#### **DIRECTIONS FOR USE**

##### **Carburetor**

- Remove air cleaner/filter.
- Shake can and apply to exterior of carburetor and linkages.
- Start engine and spray inside carburetor throat.
- Refit air cleaner/filter.

##### **Automatic Choke**

- To remove dirt deposits, spray at both ends of the choke valve.
- Choke valve should be opened and closed manually.

#### **CAUTION**

- Pressurized container: protect from sunlight and do not expose to temperatures exceeding 50°C.
- Do not pierce or burn even after use.
- Do not spray on naked flames or any incandescent material.

#### **AVAILABILITY**

500ml – CCN500

**DISCLAIMER**

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
