

PRODUCT INFORMATION SHEET

CarPlan PowerBond Universal Super Glue 3g tube

Description:

Powerbond Universal Super Glue bonds a variety of surfaces in seconds including:-

- Rubber
- Metals
- China
- Leather
- Wood Card
- Most Plastics

Directions:

READ ALL INSTRUCTIONS CAREFULLY BEFORE USE

To Open Tube:

1. Unscrew complete cap assembly. Using the pointed end of cap, carefully puncture end of tube.
2. Screw complete cap assembly onto tube.
3. The tube is now ready for use, remove end cap to apply glue. Always replace the cap after use.

To Use:

1. Surfaces to be bonded should be clean and close fitting, slightly dampen porous surfaces.
2. Apply a small amount to one surface only, holding the bottle with the nozzle pointing away from the body.
3. Put the surfaces together and hold until set, ensure the glue has no contact with skin.
4. Wipe nozzle thoroughly before replacing cap to prevent bonding.
5. Store upright in a cool dry place.

Note:

Not suitable for bonding glassware, polypropylene or polythene. Do not use to repair items that hold hot liquids or that will be wet in use. Some surfaces may be damaged by super glue e.g. very soft leather, please test on a small inconspicuous area if in any doubt.

Availability:

3g Tube

**DISCLAIMER**

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only" are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
