

PRODUCT INFORMATION SHEET

CARLUBE FLEET 15W-40

DESCRIPTION

Carlube Fleet 15W-40 is a blend of highly refined mineral basestocks and the latest in high technology additives. Meeting high API specifications in both diesel (CF-4) and petrol (SG) engines. Carlube Fleet 15W-40 is an ideal oil for mixed fleet use, designed to provide superior protection under the most arduous of operating conditions. High performance anti-wear and anti-oxidant agents combined with detergent/dispersant additives ensure clean and deposit-free engines. 'Stay in grade' performance is provided by use of a very shear stable viscosity index improver.

ADVANTAGES

- Excellent lubrication for all types of engines in mixed fleet operations
- Permits rationalization with no compromise in performance
- Rapid circulation around the engine from cold, excellent film strength and wear protection when hot

APPLICATION

Carlube Fleet 15W-40 is designed for use in all petrol engines (including injection and turbo-charged) where one or more of the specifications below are specified. The product is also recommended for turbo-charged and naturally aspirated diesels where it provides excellent protection for vehicles operating in both stop-start and high-speed motorway conditions.

PERFORMANCE LEVEL

- API SG/CF-4
- MB 227.1/227.5/228.1
- ROVER RES 22.0L.G4, PD-2
- VOLVO LONG DRAIN OIL (VDS)
- CCMC G4/D4/PD-2
- MIL-L 2104E/MIL-L-46152D
- VW 501 01/505 00

PROPERTIES

SAE Viscosity Grade		15W-40
Density @ 15°C		0.885
Kinematic Viscosity (mm ² /s)	@ 40°C	101
	@ 100°C	13.7
Viscosity Index (VI)		135
Pour Point (°C)		-25
Flash Point (°C)		192
Sulfated Ash (%)		1.0
Total Base Number (mgKOH/g)		7.0

AVAILABILITY

25 Litre – SFE025 199 Litre – SFE199

ENVIRONMENTAL PROTECTION/SAFETY PRECAUTIONS

Do not pour used or surplus oil down sewers or drains. Dispose of used or surplus oil at your nearest oil-recycling bank.

Dispose of empty packs in a responsible manner. Store container in an upright position and secure when transported. Wear goggles if splashing risk. Avoid exposure to oil mist. When using oil do not eat, drink and smoke. Wash hands after use.

**DISCLAIMER**

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
