

PRODUCT INFORMATION SHEET

CARLUBE 10W-40 MINERAL OIL

DESCRIPTION

Carlube 10W-40 is a high specification, mineral oil based, engine oil meeting API and ACEA requirements. High quality base oils are blended with advanced additives to give high anti-wear and detergency properties, thus providing longer engine life and maintaining maximum performance in terms of power and efficiency.

ADVANTAGES

- Excellent low temperature fluidity providing immediate circulation after cold starting
- Fuel saving capability due to low viscosity characteristics
- Shear stable viscosity index improver
- Outstanding engine cleanliness and protection
- Proven black sludge protection
- Catalyst compatible

APPLICATION

Carlube 10W-40 is suitable for use with most turbo-charged diesel/petrol engines and with multi-valve, fuel injected and multi-cam engines.

PERFORMANCE LEVEL

- API SL/CF
- ACEA A2/B2

PROPERTIES

SAE Viscosity Grade		10W-40
Density @ 15°C		0.882
Kinematic Viscosity (mm ² /s)	@ 40°C	95.8
	@ 100°C	14.2
Viscosity Index (VI)		153
Pour Point (°C)		-25
Flash Point (°C)		197
Sulfated Ash (%)		
Total Base Number (mgKOH/g)		

AVAILABILITY

1 Litre – XPL010 5 Litre – XPL050 25 Litre – YFB025 199 Litre – YFB199

ENVIRONMENTAL PROTECTION/SAFETY PRECAUTIONS

Do not pour used oil down sewers or drains. Dispose of used oil at your nearest oil-recycling bank. Dispose of empty packs in a responsible manner. Store container in an upright position and secure when transported. Wear goggles if splashing risk. Avoid exposure to oil mist. When using oil do not eat, drink and smoke. Wash hands after use. Always refer to vehicle or engine manufacturers handbook to verify suitability of this product for the vehicle/engine.

**DISCLAIMER**

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
