

Carlube Triple R 5W-30 Longlife VW

Carlube Triple R - The Heartbeat of your engine.

Technical Data Sheet

Advanced Performance Engine Oil for VW, Audi, Seat and Skoda Cars and Vans

Carlube Triple R 5W-30 Longlife VW is a fully synthetic, lower SAPS engine oil designed to deliver advanced performance for the latest generation of petrol and diesel engines for VW group vehicles on extended drain service regimes.

Why Carlube Triple R 5W-30 Longlife VW is an Advanced Performance Engine Oil

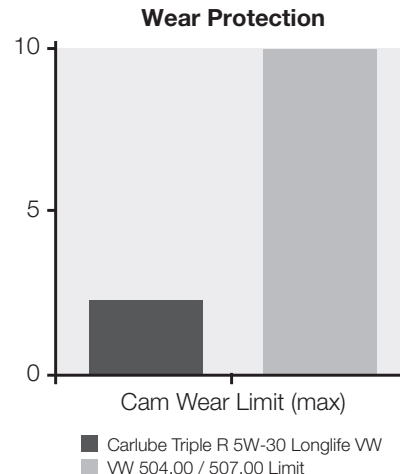

Carlube Triple R 5W-30 Longlife VW has been formulated to meet and exceed the VW 504.00 / 507.00 specifications, which are considered as the highest performing engine oil issued by the Volkswagen Group (VW, Audi, Seat and Skoda cars and vans). Engine oils meeting this specification demand a number of attributes including outstanding durability performance, compatibility with exhaust aftertreatment systems and outstanding engine cleanliness and wear protection.

In a test program Carlube Triple R 5W-30 Longlife VW delivered over 80% more cam wear protection when compared to the VW 504.00 / 507.00 test limits.

Carlube Triple R 5W-30 Longlife VW provides extended oil drain intervals, which are twice as long compared to a traditional engine oil, ultimately using less oil throughout the lifetime of your vehicle. The VW 504.00 specification can provide up to 30,000kms and VW 507.00 up to 50,000kms or 2 years (according to the manufacturers instruction manual).

Carlube Triple R 5W-30 Longlife VW is a lower SAPS engine oil (low in Sulphated Ash, Phosphorus and Sulphur), which meets the latest European emission standards, designed to reduce particulate build up in exhaust aftertreatment systems. Using the incorrect lubricant in a vehicle fitted with an aftertreatment device can poison the catalytic converter and block the aftertreatment device. This can lead to the vehicle emitting more harmful emissions into the environment and cause back pressure in the system, resulting in your vehicle being less efficient and increasing your fuel consumption.

Carlube Triple R 5W-30 Longlife VW offers improved fuel efficiency compared to traditional engine oils and is backwards compatible with many older VW engine oil specifications, therefore suitable for use in older vehicles.

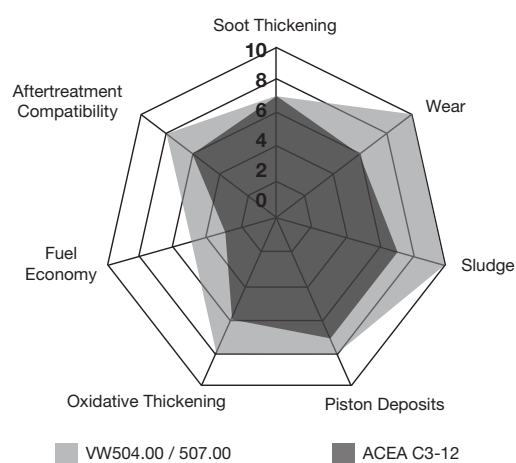

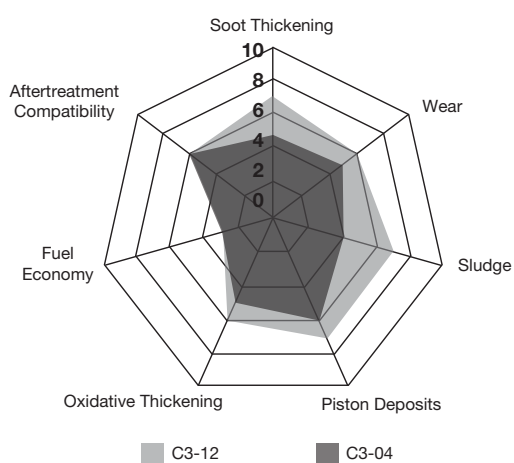

Customers using Carlube Triple R 5W-30 Longlife VW will benefit from extended drain intervals with advanced engine and aftertreatment system protection.

Exceptional Range of Passenger Car Performance Specifications

ACEA	C3
Daimler	MB229.31 / MB229.51
Volkswagen	VW504.00 / VW507.00
BMW	LL-04
Porsche	C30

The charts below show a comparison of engine oil specifications. The first chart compares the ACEA C3 specification 2004 vs. 2012. This highlights the additional protection offered by engine oils meeting the most up to date specifications. The second chart emphasises the advanced protection offered from the VW 504.00 / 507.00 specification.

Product Reference

Size	Part No	Barcode
1 Litre	XVW010	5010373044582
5 Litre	XVW050	5010373044599
25 Litre	YVW025	5010373044605
199 Litre	YVW199	5010373044612

Properties

SAE Viscosity Grade	5W-30
Density @ 15°C	0.852
Kinematic Viscosity (mm ² /s)	@ 40°C 68.4
	@ 100°C 12.0
Viscosity Index (VI)	175
Pour Point (°C)	-42
Flash Point (°C)	212
Sulphated Ash (%)	0.6

Environmental Protection & Safety Precautions

Do not pour used surplus oil down sewers or drains. Dispose of used or surplus oil at your nearest oil-recycling bank. Dispose of empty packs in a responsible manner. Store container in an upright position and secure when transported. Wear goggles if splashing risk. Avoid exposure to oil mist. When using oil do not eat, drink or smoke. Wash hands after use.

Disclaimer

This Technical Data Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Users of a product marked "For Professional Use Only" are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Technical Data Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
